Valentine's Day

Valentine's Day typically means numerous deliveries of flowers, balloons, and/or gifts for students. While we encourage gifts to remain at home, to protect the integrity of the classroom, and assure that gifts are damage free, DMS will be housing those deliveries in the front office until the end of the day. We will call students down to collect their items. Please remember that balloons, large arrangements, glass items and/or gifts are not allowed on busses. Any gifts, balloons, or flowers that students bring with them to exchange at school will also be held in the front office. Thank you for your understanding as we work to keep students and their property safe.

Special Olympics

We are very excited for Mrs. Tyson and Mr. Stradley's class as they will be traveling to the High School on February 15th to participate in the Special Olympics. There will be six to eight stations for the students to participate in fun competitions, which include relay races and long jump. This is to show that our ESE students are capable of being great athletes and are only limited by their imaginations.
